

How you
arrived to
this place:

DD
Dorvillier

her
newsletter

master exerce

an audition

fresh fruit every morning

Waking up at 3am and re-making
and re-making a 6 minute solo

first day of arrival Jennifer Lacey
says my shoes are a cool young
person's shoes

the pandemic

performances

not a lot of "industry
professionals" present

sort of no way to
reconcile this

moving on

extension of a
private
scholarship

partner buys an
apartment in
Montpellier,
imagine that

cat dies

another cat comes

winter

a long bike ride thru the Cevennes

numb & joyful in a river, in a gorge

hot springs

sulphur

Pyrenees

2 panic attacks on the tallest bridge in Europe

science fiction

YouTube

moon cycles

full moon tarot

online classes

1 MDMA trip

2 trans-atlantic flights

A conversation with Laura Kirshenbaum at "bisous bisous", the coffee shop on
my block, about wanting to cultivate more sustained practice for those of still
here in Montpellier

summer

above 30 degrees every day

>>> here.
